

Pretty pop-up

Let that special someone know how important they are by sending them this beautiful pop-up card. You could add your own embellishments for a truly unique gift...

How to make

- 1** Using the butterfly card template from page 34, scan and resize as per the instructions then cut from white card. Remove from the mat, taking care not to tear any elements of the design.
- 2** Score and fold an A4 piece of purple card in half to make a base.
- 3** Score the butterfly template to form the pop-up section. Make sure it sits well inside the purple card so it can fold easily.
- 4** Dot glue on the reverse sections of the design that will come into contact with the purple base card.
- 5** Embellish the design with paper blossoms and gems using glue to attach them to the card.
- 6** Write a sentiment on the purple section at the bottom of the card using a white gel pen, to finish.

Top Tip
Use plain coloured card to really make the butterfly pop out
