INVITATION AND ENVELOPE TEMPLATES ON PAGE 34 & 35

BUILT-IN PATTERNS:
Long rectangle: BA-A001 - 33 x 90mm; short rectangle: BA-A001 - 40 x 30mm

How to make

- 1 Scan and resize the invitation template from page 34 as per the instructions and cut from ivory card. Repeat with the envelope template from page 35 and cut from patterned paper. Select and resize the built-in patterns as per the instructions and cut from patterned paper. You should have a long rectangle and a short rectangle, an envelope and invitation cut-out.
- 2 Stick the long rectangle onto the reverse of the card to cover the hearts section.
- 3 Cut a 50 x 40mm strip of lace and attach to the front of the card with spray glue. Make sure it is positioned close to the bottom left edge. Leave to set.
- 4 Construct envelope by folding in the four corners - it is not necessary to score paper.
- 5 Add the event details onto the mini card in white pen and place into the envelope.
- 6 Carefully clip the envelope in place over the lace rectangle with the white decorative craft peg, to finish.
